DIRECTIONS

Thanks to its central location, the dental practice Dr. Butz & Partner in Munich is easy to reach.

If you choose public transport, we recommend the metro U3/U6 and the commuter trains (S-Bahn) stopping at Marienplatz. From there, it is only a five minute walk to the shopping arcade Fünf Höfe. Here, you will find a blue entrance at Theatinerstraße 15 with the practice on the 2nd floor.

If you arrive by car we recommend parking in Pranner- and Kardinal Faulhaberstrasse (at a charge) as well as the car parks at the opera or at Salvatorplatz (at a charge).
